Manager Commentary

As at: 31 December 2024

Annualised return is an indication of the average growth of the Fund over one year. Any sharp fluctuations in the performance of the Fund over a period of time, is not necessarily represented by the annualised return indicated. The annualised return is not guaranteed and may go down as well as up. The value of the investment may fall as well as rise and currency fluctuations may also affect the value of the investment. Any initial charges and exit fees that may apply may lower the amount invested and the amount received upon redemptions. Investments should be based on the full details of the Vilhena Prospectus, Offering Supplements and the Key Investor Information Document, which may be obtained from BOV Asset Management Limited, Bank of Valletta Branches and Investment Centres and other licensed financial intermediaries. The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities. BOV Asset Management Limited is licensed to provide investment services in Malta by the MFSA. The Vilhena Funds SICAV plc. is licensed as a Collective Investment Scheme, pursuant to the Investment Services Act and the UCITS Directive.
